Confirmation No.: 2627

Filed: May 3, 1995

Art Unit: 1638

For: SYNTHETIC PLANT GENES AND
METHOD FOR PREPARATION

Examiner: A. R. Kubelik

INFORMATION DISCLOSURE STATEMENT (IDS)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the Applicants request that the Patent and Trademark Office consider the documents listed on the attached PTO/SB/08 during the examination process during the prosecution of this application, and make them of record so that they appear among the "References Cited" on any eventual patent. In accordance with 37 CFR 1.98(a)(2)(ii), Applicant has not submitted copies of those listed documents that are U.S. patents.

This Information Disclosure Statement is filed before the mailing date of a first Office Action on the merits as far as is known to the undersigned (37 CFR 1.97(b)(3)).

In accordance with 37 CFR 1.97, the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that any of the cited documents are "prior art" for this invention. Monsanto, the assignee of the present application, was involved in a litigation with Syngenta, the assignee of the listed patents. (Syngenta previously filed a protest against this application.) An issue in the litigation involving Syngenta's patents involved prior invention by Monsanto (Barton et al. (US 2001/0003849, of record)) vis-à-vis Syngenta. Different claims of a related Barton et al.

application were involved in an interference involving the present application. A copy of the district court decision in the litigation is also provided.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855, under Order No. 28079/41785. A copy of this paper is enclosed.

Dated: March 15, 2007

Respectfully submitted,

By 

David A. Gass
